As an Oregon voter I vehemently oppose moving this bill to the May ballot. In no way were Oregon voters thinking this would be pushed to the back burner when 250,000 signed the petition. The discussion of this alone makes me, as a tax payer, feel even more like a pawn. Like my voice doesn't matter. The Oregon lawmakers are going to do whatever they want anyway despite our loud voices screaming to be heard. Leave it alone, do what the people are asking!
