

Submitter: Glenn Ashford

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1549

This change would give undue advantage to people who can easily afford the additional \$900 from their budget and silence those who can't. I am against this change when the state is looking for ways to increase revenue (remember the ODOT Layoffs we continually are reminded of). Giving additional credits for higher political contribution amounts may benefit those running for office but it would be a drain on tax revenue
