On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

As a petitioner who witnessed signers happy to support this initiative, it is my opinion that you are taking away the citizens right to vote on a date they selected this is not democracy. This is anarchy. I strongly oppose moving this initiative to the May primary 2026 Mike Sallee
