That is all you Democrats do. TAX TAX TAX

If Dems stopped all of the Social Welfare Pandering there would be enough \$\$\$\$ in the budget to fix and repair the highways. There is no need for SB 1599. The petition to refer the highway tax increases specified the 3rd of November general election.

The English language is plain and clear. SB 1599 is a legislative end run of the initiative petition process and a blatant bastardization of the language. "...oh, they didn't mean the November Election, they meant the legislators could read into the petition May Primary..."

It is TIME for legislators to Heed the voice of the Electorate. WE want to decide this issue on our terms, yea or nay according to the petition submitted to the Secretary of State. SEE YOU AT THE POLLS in NOVEMBER.

Respectfully Submitted,

Stu Haas
