Measure, Appointment or Topic: SB1598

Giving any kind of authority that could include broad medical directives issued by an UNELECTED official, with no vote by lawmakers and without direct accountability to voters is unacceptable to me. ALL major statewide decisions should require legislative approval. I am a life-long Oregonian and I care about what happens in my state. I, and all Oregonians, deserve transparency, debate, and accountability on this issue from our lawmakers. I oppose SB 1598.
