

Submitter:

Chris O'Neill

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SJR203

Honorable Chair Prozanski and Members of the Senate Committee on Judiciary.

Thank you for the opportunity to testify in favor of SJR 203 that provides Oregon citizens the chance to say what they want in terms of professional law enforcement deportment. It's outrageous that federal policies force citizens to defend themselves against systematic oppression methods by federal officers. Let the people speak!

Thank you.

Chris O'Neill

Eugene, Oregon
