Topic: SB1599

SB 1599 reinforces my SOLID distrust of our current lawmakers and Governor to do what is best for Oregonians. We have raised our voices loud and clear and antics such as SB 1599 prove Governor Tina Kotek and our legislature is not only tone deaf to our voices, but determined to undermine our efforts by delaying the vote to the May primary when voter turnout is historically lower. This unacceptable. Our referendum deserves to appear in the November 2026 general election as clearly stated on the petition.
