Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

SB 1599 is a direct assault on the citizens of Oregon. The Referendum Petition was overwhelmingly popular across the board with Oregon residents and if SB 1599 is passed it will be in direct opposition to what the voters want and provide further evidence that our elected officials do not listen or care to their constituents. WE The People signed a petition to have this referendum on the November 2026 ballot NOT the May ballot. You legislators know this but you are signaling to us that you do not care what the people want and will do only that which benefits you. DO NOT pass SB 1599.
