Topic: SB1599

250,000 Oregonians signed the petition for a November 2026 referendum on the \$4.3 billion gas and tax hike! This far surpassed the required number, and was done in a record amount of time, which shows that WE THE PEOPLE want this put on the November ballot! It is well known that by passing SB1599, it is in direct defiance of what voters have expressed. Please reconsider this move and act in the best interest of the citizens of Oregon, and not the interest of politicians!

Thank You,
Robert Swearingen
