

Submitter: Patricia Daletas

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

We have already seen what people with an undue presumption of power will do to the citizens of Oregon, re - OHA during the plandemic. We don't need to unilaterally give that power to an unelected individual to wield over an overly trusting public. I oppose this bill in its entirety and ask that our elected representatives start representing the people instead of their egos.
