

OREGON STATE FIRE FIGHTERS COUNCIL

International Association of Fire Fighters
AFL-CIO CLC

Chair Bowman, Vice-Chair Elmer, Vice-Chair Pham, Representatives Grayber, Kropf and Skarlatos, Wallan:

Please support House Bill 4018 -6 amendment. Oregonians are ready for campaign contribution limits that level the playing field for everyday people. And we can't afford a messy, ineffective, and botched roll out of our reformed campaign finance system.

House Bill 4018-6 is the best path forward to implement campaign contribution limits while also ensuring a responsible launch of this critical, democracy-advancing policy. Oregon is a leader in fair, transparent, and accessible elections. We cannot afford to have Oregonians lose confidence in our elections if implementation is rushed into disaster.

Please pass House Bill 4018-6 this session to ensure that Oregon's campaign finance reform meets the high standards that Oregon voters deserve.

Thank you for your time and consideration.
