

Submitter:

Jeff Owrey

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

This bill does little to expand health care coverage. All it represents is an attack on the dignity of the people of Oregon. It takes away their freedom of choice in medical treatment, is overly broad, and intrusive in the doctor-patient relationship. The bill does little to address the real concerns of spiraling cost of co-pays and cost of health care premiums. Vote NO on this bill.
