Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

My name is Jillian Powell, and I support vaccine access.

I FULLY SUPPORT Senate Bill 1598 as it protects vaccine access and helps ensure ALL Oregonians can continue to access evidence-based preventive services without new barriers or delays. There are huge outbreaks occurring around the country right now due to lack of access, barriers, misinformation and down right lies regarding vaccine safety. But the real scientific data is clear, vaccines SAVE LIVES. We must ensure they are assessable.

Please pass Senate Bill 1598.
