Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

I oppose SB1598. This is more rules, regulations total overreach of government into people's personal rights. Your health care is between you and your Doctor. No one person in government has the right to tell you have to take a live virus. Government needs to do things to help the struggling tax payers trying to just pay bills, put food on the table. NOT MORE OVER REACHING. NO ON SB 1598.
