

Submitter: Donald Richardson

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

I oppose SB 1598. The government needs to stay out of people's rights. No one person has the right to make anyone take a live virus's or any vaccines. That is between a person and their doctor only. Stop the overreach, rules, regulations of the government. Vote NO on SB1589.
