

Submitter:

Leslie Logan

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

I am opposed to increased logging of our state forests. Our forests are our present and future treasure. They protect our drinking water, provide habitat for our wildlife, and help our climate. They add great benefit to our enjoyment of our lands and for tourism. They need to be protected from increased logging for the generations to come.

Thank you.
