On Behalf Of:
Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

I am adamantly opposed to this attempt to usurp the power of the people. This disrespect for the due process of the law. At every juncture you have made your contempt and ignorance self-evident. It's not your will the Constitution upholds but the will of the people.

If you cannot execute your office and administration faithfully and in accordance with long standing principles of this republic that protect the freedom of the governed I suggest you resign.
