Topic:

Please continue ODOT programs within its current generous biennial budget until voters determine in November the fate of the new transportation tax bill. It's obvious that ODOT has been funding luxury projects through a complex of nonprofit organizations that claim to study projects like the Albina Cap, the Yamheles Westsider Trail, and the Joseph Branch Trail Consortium. Instead of funding frivolous nonprofits, fund basic road maintenance services for the taxpayer. Your claims are invalid that basic road maintenance services must be cut if this bill is delayed until November.
