Topic:

Please majority lawmakers, try to do the right thing for me and all Oregon taxpayers who are continuing to pay higher and higher taxes every year which will eventually drive me out of this beautiful state. In all my 63 years as an Oregonian I have only seen one solution from the majority party for any fiscal dilemma - just raise taxes. It appears there are real solutions and if you ran ODOT more like a business you would trim the fat, do what is needed to right size and move forward. Start making tough decisions and start doing your job. Thank you.
