Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

My name is Rene Liri, and I support vaccine access.

I am writing to express my full support of Senate Bill 1598. With measles spreading in other parts of the country, now more than ever, we need to protect access to preventive care and services and give our state the authority to issue vaccine guidance and disease prevention.

Please pass Senate Bill 1598.
