On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

As a volunteer for my community, I understand the importance of a process to keep the playing field fair and acceptable to all people. I believe the process currently being used by our Governor is attempting to influence an outcome that is self fulfilling. I encourage you to stand true in your position and oppose her action to place this referendum on the May ballot.
