Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

My name is Jackson Baures, and I support vaccine access.

I am writing in support of Senate Bill 1598. This bill is crucial to help maintain vaccine access by requiring insurance companies to cover vaccines that are proven to prevent disease. Vaccines have an exceptional return on investment compared to the cost of treatment and hospitalizations.

Please pass Senate Bill 1598.
