

Submitter:

Katherine Fetty

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or

HB4105

Topic:

I am opposed to any legislation that allows old growth or clear cut logging on our public lands.

Our forests and parks should take environmental and clean water in account and preserve our wildlife.

Clear cutting or logging old growth degrades the envirnment and reduces wildlife.

Thank you for opposing Hb4105
