

Submitter:

Karen Heagen

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

I highly oppose the HB4105 regarding logging on the state lands of Oregon. This bill and the resulting impacts are damaging to forest, water, wildlife, and human existence. This bill was created without consideration of these entities, and only serves the logging industry's objectives of increased de-forestation.

Thank you.
