I, along with hundreds of thousands of fellow Oregonians signed the petition to have this bill placed on the November ballot. Now the sneaky Democrats and our POS Governor are trying to sneak this back into the primary election. Knowing that the voter turn out is much lower and may get overlooked. And Kotek, doesn't want their name next to what we the people have already voted against, due to trying to run for Governor again. Enough is enough, and you wonder why do many are looking to move out of what used to be known as Beautiful Oregon. We need change!
