Joint Special Committee,

I oppose SB 1599, do not change the election date of the gas tax referendum!

This is an election-year stunt by Oregon Democrats and our Governor. SB 1599 would change the election date of the voter-qualified gas tax referendum after hundreds of thousands of Oregonians already signed the petition for a November vote. It is amazing the super majority in Salem wants to circumvent the people of the state. No wonder so many are disenfranchised with the Democrats and the Governor.

This is a retroactive rewrite of the rules because one upset party doesn't want to be held accountable in November.

SB 1599 is unnecessary, improper, and disenfranchising to Oregon voters. This is unacceptable!
