Measure, Appointment or Topic: SB1599

I am submitting this written testimony in opposition of SB 1599. I am one of over 250,000 Oregonians who put their name on a referendum to send this bill to a vote of the people during the November 2026 election. Now the legislators of Oregon, urged by the governor, are attempting to circumvent that process by rushing the bill to the primary election this spring. This is a slap in the face of every Oregonian who put their name on that referendum.

Keep the Gas Tax bill on the November ballot, and honor the wishes of the citizens of this state!
