2026-302
Measure, Appointment or
Topic: SB1599

Voters have already spoken and soundly rejected this Gas Tax. It is a violation of the will of the people to try and sneak this tax in again. Does the Oregon legislature and the governor lack so much in integrity that they will choose to violate the will of the people?

2024 elections were just a taste of what we are ready to do in order to drain our own cesspool of lying, deceiving politicians.

Let the games begin!!
