This is Ludacris! This is illegal! This is not what we want, this is not what the citizens of Oregon fought so hard for. Despite your political party Oregon citizens came together to stop this bill. Oregon is broke. We are broke. This governor is destroying us and our livelihood to enjoy this beautiful state. What we signed for was deliberate and putting it on the November 2026 ballot. It was a choice, it was deliberate, and that is what we deserve. This should be out of the hands of the governor completely and should remain on the November ballot as it was intentionally designed to achieve-and successfully achieved-it's purpose!
