Committee: House Committee On Emergency Management and
Veterans
Measure, Appointment or HB4121
Topic:

AS WE ALREADY HAVE AN OREGON EMERGENCY MANAGEMENT
DEPARTMENT , we certainly do not need to BORROW money to start yet another
department, which would require millions of dollars just to pay all the employees!!
Nor do we need to modify the definition of our current Resilience Hubs and Networks.
Money has already gone to prepare them. This is yet one more attempt to hide
money, which they intend to borrow, then expect the taxpayers to pay the interest
and principal on for years to come.

NO MORE BORROWING TO PAY FOR MORE WOKE GOVERNMENT
