Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB1561

Dear Chair Pham, Vice-Chair Anderson and Members of the Committee,

I urge you to oppose SB 1561. The main proponent of this bill states that it is nearly identical to HB 2289 from 2021. It appears that this bill's only purpose is to relax development standards by circumventing the existing review process. SB 1561 is unnecessary and will only allow the replacement of some dwellings that were illegal in the first place.

Thank you for considering my comments.
