Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

As a Native Oregonian on a fixed income struggling to keep up with the cost of living, we are sick and tired of being faced with more tax burdens! We voted to have the referendum to be on the November ballot, that must be honored. Disrespecting 'we the people' Is getting very hard to take! Please oppose 2026-302 for the sake of fellow Oregonians. Thank you
