I strongly Oppose SB 1599

Over 250,000 Oregon Tax Payers sent a resounding message to our Legislature to put on the November 2026 Ballot to vote on the Gas Tax and other added payroll taxes and other fees to support the failing Oregon Dept. of Transportation management of existing funds. When will you Democrats open your ears to the tax payers of the state? Why are businesses pulling their corporate headquarters out of Oregon? Our failing Governor insists to ignore what is happening in Oregon. All those Oregon Voters that signed the petition to put this matter on the November Ballot are being treated like they don't exist.

Vote NO on SB 1599
