Michael Merrill

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

My name is Michael Merrill, and I support vaccine access.

This past September, I had to wait over a week and endured several back-and-forth messages to my Primary Care Physician and pharmacy to get vaccine shots. This was all due to confusion and with the federal advisory changes last year.

Please pass Senate Bill 1598.
