

Submitter: John White

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB4002

Dear Chair Bowman, Vice-Chairs Elmer and Pham and members of the Committee,
I support HB 4002.

It is easy to support this commonsensical bill. It modestly limits the number of bills
that

legislators will be required to to consider, enabling bills be given the time they
deserve. HB

4002 is balanced as it allows every legislator an equal number of bills to submit and
allows

exceptions for efficient governance.

Thank you.

John White
