2026-302

Measure, Appointment or
Topic: SB1599

altering timing for this referendum seems silly... 100s of thousands have signed this petition... to be in the Nov ballot. messing with a properly executed referendum petition is disengenous. Clearly a ploy to get it onto the ballot when less voters submit their ballots. I think it will pass anyway, proving that "by the people, for the people" is still working, but it would definitely pass in November. All the best to you.
