

Submitter:	Tawnya Brady
On Behalf Of:	All American Citizens
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SJR203

The safety of these officers and their families depend on them staying undercover as they are already being targeted trying to keep this countries tax paying citizens safe at the high risk of being injured or worse. I plea to you DO NOT LET this pass. Our lives depend on ICE and other law enforcement, as you can see all of the criminals, they have already removed that will not be able to cause us any more harm.
