Topic: SB1599

2/11/26

Thank you chairs and co-chairs & members of the committee. My name is Karen Goodness.

I oppose SB 1599 because it will violate Oregon law if it doesn't allow the time that the law says must be given for citizens to submit voters pamphlet statements, which your current track will not allow. Thank you for that Rep J

The referendum petition itself

HB 2025 listed November 3, 2026 as the voting date. By changing it with legislative action it would go against what voters signed for.

You create the problem when you initiate higher taxes. Business move out of the state, this creates loss of jobs and possible homelessness.

I've been a drug addict, I've live in my car the went to work doing accounting or some admin work. Nothing is new under the sun!

We need to keep businesses because they generate taxes.

NO to SB 1599

PS Where is DOGE to help clean up the pork? There is plenty of money floating around to pay ODOT and everything else without SB 1599.

Thank you!
