

Submitter: Michelle Lodjic  
On Behalf Of: Stop clearcutting Oregon Forests  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB4105

Stop clearcutting Oregon forests. The upland watersheds of the Pacific Northwest are an irreplaceable legacy for the protection of clean air, clean water, viable soil and species diversity upon which all current and future life depends. They should be protected intact for the good of all not sacrificed to the shortsighted greed of a few. You have the power to protect them. Stop clearcutting.
