Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598

I am writing to strongly oppose SB 1598.

This bill stands completely against medical freedom for Oregon residents.

The bill gives unchecked authority to unelected officials, automatic mandates for school attendance, forced compliance with statewide medical orders, & does not allow our personal physicians to have a say in our medical care- all of which is insane & goes against the constitution & our religious freedom also.

**THIS IS A BAD BILL!!!**

Thank you,
