

Submitter:

Chris Broadfoot

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

SB1598 removes medical decision making ability away from individuals, parents, and doctors to unelected bureaucrats with unchecked authority. Additionally, it overrides a doctors ability to make specific medical decisions and forces compliance with the state mandates. If anything, we should be talking about a medical a freedom act for Oregon citizens. As a person with a non cureable medical condition, I vehemently oppose SB1598.
