The real problem is clearly stated in this bill, on line 4. "Oregon is projected to lose over \$8 BILLION in federal Medicaid funds over the next three biennia"

IF OUR DEMOCRATIC LEGISLATORS WILL GROUP TOGETHER AND OVERRIDE THE CURRENT GOVERNOR, WE CAN GET ALL THIS MONEY BACK, so that we can continue to provide health care to Oregonians. Actually, the tax dollars should be spent on legal Oregonians, that's what the money is there for. It is not there to provide free healthcare, free dental care, free everything else, to people who illegally enter this state.

The federal government is absolutely correct in stopping all funds which are paying for people it should NOT BE PAYING FOR.

We live in America, we back our federal government and Oregonians are speaking up loud and clear now.....you have crossed the line and voters will remember names of legislators who caused this disaster to Oregon.
