Measure, Appointment or Topic: HB4113

I am writing in opposition to this measure. Am I reading this correctly? The clowns who made this recreational community proposal for the Metoleus basin did so initially in 2009? Here we are 17 years later and they still haven't been able to get the job (development) done. Please do not spend any more tax dollars or staff time on someone who is clearly gaming the system waiting for a slip up on someone's part. Please let any "transfer of development opportunity" agreement between the state and this land owner expire. The Metolius river basin is more valuable to Oregonians undeveloped as it is.
