

Submitter:	Bobbi Price
On Behalf Of:	City Manager
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4148

The City of Yachats supports HB4148. We have limited property tax revenue and rely heavily on the Transient Lodging Tax (TLT) for our general fund. Visitors contribute to the wear and tear on our City infrastructure, and we need to be able to use more of these TLT revenues for critical infrastructure.
