Measure, Appointment or
Topic: SB1599

I adamantly oppose this bill. The people have spoken. After Governor Kotek tried to sneak through the most egregious gigantic tax bill without allowing the citizens to vote on it, the citizens petitioned to have this bill moved to November with over 250 signatures. It is beyond my understanding how you, the Oregon legislators, could even consider going against the will of the Oregon people. Keep it on the November ballot. Those people have spoken.
