

Submitter: Pamela Anne Bahnsen  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure, Appointment or Topic: SJR203  
To Whom It May Concern:  
re: SJR 203

I FULLY support this proposed amendment that law enforcement whether Federal, State or City NOT be masked and MUST wear identification.  
As a 72-year old white American citizen, I no longer feel safe in my country! I am afraid because of the extreme violence of ICE thru out America and as of Jan 27, 2026 in Eugene that I witnessed first hand.
