Measure, Appointment or Topic:

SJR203

I write in support of SJR 203 because of the fear I have seen in my community as a result of unidentified officers, avoiding specifics, after a member of a faith group was taken by masked officers, people feared to even go to their place of worship to pray for that person. Oregonians deserve to live without this fear, and this proposed amendment is a step towards getting secret police off our streets.

I also support Rep. Chiachi's LEAVEa act, but believe that it is weaker from a legal standpoint and would urge the committee to take up the fight for this resolution which stands a much better chance against the federal supremacy clause.

Thank you for your time.
