HB4018

I am submitting this testimony in opposition to the -6 amendment to HB 4018.

The secretary of state has gone back on his word to The Honest Elections Coalition. This amendment is a sham. The -6 amendment was developed with zero involvement from any member of the Honest Elections coalition. Elected officials should be embarrassed by this behavior, better yet, angered into action – action for fair elections. Stop the status quo. Stand up for what we want. And to the secretary of state, shame on you – do your job for the People of Oregon, not special interests.
