House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

HB 4105 is a timber industry bill that should not be let out of committee. The majority of people who love OUR state forests will be very unhappy that the work over decades to keep out of the clear cut ,sediment filled water, and eroding waterways mess is going to be put up for grabs again. Please vote against this bill.
