The people voted you into office to do their will, not yours or the governors. We put signed a petition for it to be voted on in the general election in November, not in a primary when less voters vote. You do not have a constitutional right to go against a petition signed by the people. You should not even be bringing this to the floor and you need to vote it down. Most of you will be on the ballots in November and we will replace each and every one who votes against the people!!
